

Party Bookings Pack

Thank you for your booking/ enquiry. We would love to welcome you and your guests at The Vines.

A booking can be made with us now. The enclosed form should be completed and sent to Karen. This will allow us to reserve your table/s on your chosen day. We do recommend that you put 2 alternative dates or check availability first.

Please note that, for parties over 15 people, we do request a non-refundable deposit of £5.00 per head in order to secure your booking. Deposits need to be received by us at least 7 days in advance of the date booked in order for us to hold your table.

We would also recommend you to pre order your chosen meal. This will mean that we can offer you the best possible service and ensure that all of your chosen menu items are available.

We are happy to discuss your individual requirements. Just contact Karen at the Vines.
